

Power Point Presentation on Westward expansion and Manifest Destiny (1840- 1890)

AP History Mr. Kafouros

Topic: The term manifest destiny has a dual meaning in our history.

For Americans who settled the West it was the culmination of a dream come true, the expansion of our nation from ocean to ocean.

For Native Americans it marked the end of Native American Culture throughout the Great Plains and the Western Frontier.

Assignment: Minimum 50 slides /visuals/ terms/ events that cover this time period.

Each slide must be labeled with it's relevance to (PERSIA)

As you explain each slide, be sure to analyze them!!
