

**Examining and Analyzing Primary Documents Ace Document #1 Due Monday typed!!
The French and Indian War**

Students: Using the ACE Format (Answer, Cite, and Expand- O.I.) read the following document carefully. Then begin to answer the following questions!

- 1. Answer the question-** Discuss in detail all the major changes that were taking place for the following groups: French, Spanish, British, Native Americans. **(150 words minimum)**
- 2. Cite Evidence-** What evidence in the document suggests that both the colonists and some Native American tribes were willing to defend their land from the French? Cite evidence to explain the eventual outcome of their plan? **(150 words minimum)**
- 3. Expand your answer using outside information** – How did the British implementation of the Proclamation of 1763 affect the future relationship between colonists and England. Cite O.I. to defend both sides view of this proclamation as to why it should be adhered to or not adhered to? **(200 words minimum)**
