

Sample introduction paragraph including X equals A,B,C. therefore Y formula.

Topic DBQ Vietnam War 1964-75

At the conclusion of World War 2 two superpowers emerged, the Soviet Union and the United States. The result was a greater struggle to to defeat communism by the US, and a determination to spread communism by the Soviets. **(X) Vietnam was a major conflict over the struggle to contain communism throughout Southeast Asia and the eventual end of Communist Russia. (A)However, during the period 1964-1975 America was racked by growing unrest and disenchantment over why the war was being fought,(B) who should run it and how the war should be waged, (C)and how much of American financial investment should be expanded into running the war. (Y)Therefore, in the end, the Vietnam war damaged America's confidence in themselves and their government.**
