

Examining and Analyzing Primary Documents “ Slavery A Positive Good”

Students: Using the ACE Format (Answer, Cite, and Expand outside information) read the following document carefully. Then begin to answer the following questions!

- 1. Answer the question-** Explain how Calhoun believed slavery was a “positive good and made for a more stable society than the South? (minimum 125 words)
- 2. Cite Evidence-** What evidence does Calhoun present to defend his position that slavery civilized the black race of Central Africa not only physically, but morally and intellectually. (minimum 125 words)
- 3. Expand your answer using outside information –** Several black organizations and historical scholars, will argue that the institution of slavery, was comparable to the destruction of Native American tribes, and the internment of Japanese Americans. Using various sources, (O.I) state whether you believe the U.S. Should pay reparations to descendents of enslaved African-Americans? Be sure to cite what sources were used !! 40 acres and a mule to 7 trillion dollars! (minimum 175 words)
